S. W. TRAVERS,

Decision of Judge McLemore in Local Option Contest.

[Special to The Times-Dispatch.] Suffolk, Va., June 14.—There is a possibility of the recent local option election being declared void.

Circuit Judge McLemore, in an opin-ion handed down late this evening, ruled that written applications must be made by persons who would register, and that persons who otherwise were placed upon the books are not los, legally registered.

legally registered.

This is in diametrical opposition to 9514
31 the recent decision of Judge Christian.
of Lynchburg, who upheld the supermacy of the registrar. The "wets" 12014 allege that seventy-six persons who 1214, woted "dry" in December were illegally registered, and if the evidence sustains their contention the election will be 1236.

Fire Loss Adjusted.

[Special to The Times-Dispatch.]
Lynchburg, Va., June 14.—Final adjustment of the loss incident to the burning of the Academy of Music on April 20 was made to-day, nearly two months after the destruction of the playhouse. It is reported that the amount paid the losers is less than \$23,000, or from \$6.000 or \$5,000 less than the amount of insurance carried on the structure and equipment.
